Bodies of Russia's Victims Returned

NEW YORK, Nov. 12.—The bodies of all American soldiers, who made the supreme sacrifice in the North Russia campaign were returned home tonight when the army transport Daraga in sombre gray, poked its nose through the mists off Sandy Hook and silently entered the harbor.

No screeching whistles from blustering little tugboats; no blasts from mighty trans-Atlantic liners; no cheers from shore and crowd-lined skyscrapers greeted these returning heroes. But the chairman of the mayor's committee of welcome, Rodman Wannamaker, boarded the Daraga to receive the nation's dead when the vessel slipped into her flag-draped dock shortly after 10:30.

D. Evans vs. F. E. St. John for unlawful detainer, in which the plaintiff was given judgment.

Even the Lowly Burro Has a Friend in Bisbee Who Pleads For His Protection From Police

The following letter, to The Review was written by a pioneer citizen of Cochise county who has been aided through many years by the lowly burro, and who is prompted to write by an announcement from police headquarters that all stray burros are to be rounded up and held for the owners, and in case that they are not claimed with a few days, they are to be shot.

"I wish to make a few remarks in regard to the most faithful animal there is. I am part burro myself, having used them for 30 years. We packed water into Bisbee when

there was no water in the country, and we packed food for people to eat. In fact, burros were our mainstay and they blazed the way to make the country what is is.

"Now we have pumpkin rollers from Missouri; turnip pullers from Arkansas; sheep herders from Texas and bohunks from Hell's Half Acre putting on dog with their automobiles, half of which are not paid for, and in fact, if their debts were paid they would not have the ashes from a cigarette, saying in your paper that they are going to exterminate us altogether. Gay Social Season Promised Cananea

Mr. Wm. L. Beck and Mr. Truttman, well known society men, were the hosts at a dance given in honor of the war nurses of the Ronquillo hospital, at Chiatera, Cananea, on the evening of November 5th. The dance was a success and was greatly enjoyed by a large crowd of prominent society folks from both Chivatera and Ronquillo. This dance was really the opening of what promises to be a gay social season this winter in Chivatera. The entrancing music was furnished by a well selected orchestra under the leadership of Prof. Bobby P. Hale.

man that will do that would exterminate his grandmother. He is anything but a man. People are making a hullabaloo about nothing. Let them shut their gates and let us live awhile yet, anyhow.
